

10 October 2023

South African Women's U21 Funding/ Donation Opportunity

The SA Women's U21 hockey team will be participating in the Junior World Cup (JWC) in Santiago, Chile in November/ December 2023. We congratulate Shanna Mendonca who has been selected as part of the team.

We have a unique opportunity to showcase the sport we are passionate about and hopefully inspire the next generation of female sports stars in South Africa. We would like to invite you to be a partner on this journey with us. Please also follow our social media pages (saw_u21_hockey) on Instagram or (SA U21 Women's Hockey) on Facebook to get an idea of our team culture and upcoming events.

These players deserve the world but unfortunately, as with many sports, face severe financial constraints and monetary donations would be first prize. However, any contribution you can make to kit (match kit [our national kit supplier is TK Sports SA so here we would welcome a financial donation to pay for it] and tracksuit), training gear (tops, shorts, warm up top, sweat towels), leisure kit (neat golfer, shorts/pants, jumper/light jacket), luggage, sports bags and equipment and health and nutrition goods/services would be so welcomed. Do not be limited by the list mentioned, we would make use of anything gifted to the squad (we like to dream big!).

The cost for players to attend the Junior World Cup is R97 000 per player

For monetary donations, please use the following payment details:

Banking Details:	Nedbank
Account Name:	South African Hockey Association
Branch:	Norwood
Branch Code:	191905
Account no:	1920 085 106
Reference:	Initial & Surname of player and U21W (e.g. BKeeU21W)
Proof of payment to:	bridgetkee@gmail.com

Be a part of our Junior World Cup dream as we #Play4More in November.

Yours Sincerely

Bridget Kee
