

# The Football Institute

Taking steps to beat yesterday

Iber Cup | July 2024

Nathan has once again been chosen to represent our team in the upcoming International tournament known as the Portugal tournament "Iber Cup." Presenting an invaluable opportunity for him to expand his horizons and develop international skills. Before delving into further details, allow me to introduce you to The Football Institute.

We are delighted to confirm that Nathan Bredenkamp has been selected again to be a part of our Under 15 team for this prestigious event. This opportunity extends beyond mere competition; it serves as a platform for Nathan to gain exposure to international football dynamics and cultivate essential skills needed in a global context.

Our journey will commence on the 23rd of June from South Africa, and we will return on the 8th of July. During our stay in Portugal, Nathan will engage in a variety of activities aimed at broadening his perspective and enhancing his football prowess.

In addition to the competitive aspect of the tournament, Nathan will immerse himself in cultural experiences, gaining insights into the rich history and diverse traditions of Portugal. This exposure to different cultures and playing styles will equip him with invaluable international skills, fostering adaptability and resilience on and off the field.

Leading up to the tournament, Nathan and the team will undergo intensive preparations, including:

- Rigorous training sessions under the guidance of local coaches
- Friendly matches with international teams
- Cultural excursions to deepen understanding and appreciation of the host country

To facilitate this transformative experience for Nathan and our players, we are reaching out to local businesses, family, and friends, seeking support to offset the associated expenses. The total cost for participation in this event is approximately R 55,000, covering expenses such as accommodation, meals, flights, tournament registration, visas, and other miscellaneous costs.

By participating in this tournament, Nathan will not only hone his football skills but also develop crucial life skills necessary for success in an interconnected world. We firmly believe that this opportunity will empower Nathan to thrive both on and off the field, shaping him into a well-rounded individual with a global mindset.

At The Football Institute (TFI), we are committed to nurturing talent and fostering personal growth, preparing our players to excel in diverse environments and seize opportunities on the international stage.

On behalf of The Football Institute in Johannesburg, we sincerely appreciate your consideration and support in making this invaluable opportunity a reality for Nathan.

Sincerely, on behalf of The Football Institute, Johannesburg we thank you for your attention.

Best regards always,

Coach João Braga  
Technical Director, The Football Institute
